Huge potential here to make money with renovations. This three bedroom hardiplank home sits proudly on a 726 square metre block of land. Providing side access for perhaps the new owners to put a shed or even a swimming pool.

What a great home for the young couple looking for their first home or for the astute investor looking to start an exceptional rental port folio.

Stepping up to the front verandah where you can enjoy your morning cuppa and watch the cars go by, you notice you are directly across the road from a chemist, bottlo, café, and the doctors are just around the corner.
